

A word cloud featuring various terms related to family studies and child development. The words are arranged in a non-uniform, overlapping manner. The most prominent word is 'family', which is the largest and positioned towards the upper right. Other large words include 'children', 'single-parent', and 'adolescents'. Smaller words like 'study', 'risk', 'school', 'years', 'age', 'students', 'factors', 'p', '95', 'ci', 'families', 'parents', 'among', 'health', 'social', and 'associated' are scattered around the larger words. The overall composition suggests a focus on the relationship between family structure and child outcomes.
